C) APPLICATION DEADLINE
Applications must be received by the following dates:
• First week of November of the previous year for FEBRUARY’S INTENSIVE PROGRAM and SEMESTER I PROGRAM (MARCH – JUNE)
• First week of April for JULY’S INTENSIVE PROGRAM and SEMESTER II (AUGUST – NOVEMBER)

NOTE: It is no longer necessary to mail Applications, emailing the scanned copies to incoming@ubp.edu.ar is enough.

D) EVALUATION OF THE APPLICATION FORMS
The Responsible for Incoming students, together with the staff in the International Relations Centre will process and evaluate the application forms.

E) ADMISSION PROCESS
After processing all the applications, the International Relations Centre will inform the students of their admission or not. In the case that a student is not admitted, we will email a letter explaining the reason for this decision. The process will not exceed the 15 days after receiving the forms.

F) ADMISSION LETTERS AND INFORMATION PACKAGE
Payment of the Admission Fee
After the students have been admitted to the program, UBP will require them to pay USD $100 (via credit card) in order to issue their admission letter. This payment will be deducted afterwards from their program fee.

UBP will send the student and their home institution a scanned copy of ADMISSION LETTER, together with the information package. THE DATE required FOR THE ARRIVAL OF THE INTERNATIONAL STUDENTS will be included in the information package.

G) INFORMATION ABOUT THE HOST FAMILIES AND THE TUTORS
During the two months following the students’ admission, general information about their TUTOR and HOST FAMILY (for those who have chosen to stay with a host family) will be emailed to the students, which will allow the student to be in contact with these people before their arrival in Cordoba. This is an important factor for the adaptation of the international students in our country.

*IMPORTANT: The home institution must email a written notification to incoming@ubp.edu.ar at least 3 weeks before the programs start date if one of their students decides to drop off the program. Otherwise, they will have to pay for the expenses UBP may have already done in preparation for the student’s arrival.

H) NOTIFICATION OF ARRIVAL
The date, time, and flight number must be emailed to UBP at least 2 weeks before the arrival of the student. The TRANSFER SERVICE for incoming students is only from the airport to the campus or to the host family’s house, for students arriving during the stipulated arrival dates. The students that have chosen INDEPENDENT lodging are required to find their own transportation from the airport.
*IMPORTANT: We require that students arrive during the stipulated dates (or before) in order to make sure students participate in the different orientation activities that take place the first week.

I) STUDENT VISA
The student visa is MANDATORY for all international students at Universidad Blas Pascal. This visa is obtained during the first month of the arrival of the student at UBP. For more details about this process, you may contact relinter@ubp.edu.ar or http://www.ubp.edu.ar/extension/relaciones-internacionales/estudiantes-internacionales/

The cost of the student visa is AR$ 1.300 approximately.

IMPORTANT: Australian, Canadian and US citizens must pay a "reciprocity fee" to enter Argentina. This is not a visa, since a visa is not required for business and tourist visitors. It is a fee based upon the fees that Argentinian citizens pay for a visa to enter these countries. The cost is USD $160.

The National Immigration Agency (Direccion Nacional de Migraciones) has added a new online form of payment of this reciprocity fee through the Provincia Payment System. We suggest that you make this payment on-line before travelling, to avoid delays at airports.
For on-line payments go to http://www.migraciones.gov.ar/accesible and click on "Abone su tasa de RECIPROCIDAD”

J) HEALTH INSURANCE
The University Blas Pascal works with MEDIFE (https://www.medife.com.ar/) which is a company that is highly trusted in Argentina. MEDIFE covers 100% of medical attention, including hospitalization and surgery, and 40% of medication. This health insurance is a MANDATORY for all international students and must be payed during the first ten days of the program.

K) DIPLOMA DE ESPAÑOL COMO LENGUA EXTRANJERA – DELE (SPANISH AS A FOREIGN LANGUAGE DIPLOMA)
Since May 2008, UBP has worked as an Exam Centre for the DELE exam. This exam gives OFFICIAL CERTIFICATES that are INTERNATIONALLY RECOGNIZED, and certify the degree of competence and dominion of the Spanish Language. These titles are issued by the Instituto Cervantes on behalf of the Ministry of Education and Science of Spain and certifies the linguistic competence of Spanish in three levels: beginner, intermediate, and superior.
