Welcome

Please welcome a new visitor to the department, Camila Ventura. Camila arrived on Monday and will be with us for one month. She is a visiting staff member from a partner Brazilian university, UNICAMP.

Camila is an Administrative Manager for the Institute of Economics; among her responsibilities is to organize workshops and to build international programme links. Gary Dymski was introduced to Camila by academic colleagues at UNICAMP last summer when he participated in a summer school organized for students from across Latin America.

Camila is here because she won a special scholarship (from her university, UNICAMP (or State University of Campinas, in the state of Sao Paulo, Brazil), which permits staff to apply for scholarships to have brief visits to universities where there are partnering opportunities to be explored. Nina and Bianca are leading our department's international activities, and so will be primarily involved in working with her and with university staff who are international-area specialists.

Welcome **Camila**, we hope you enjoy your visit in Leeds :)
